Acquisition Information
Multiple sources, multiple dates of acquisition.

Custodial History (Provenance)
Archives and Special Collections staff assembled this artificial collection from disparate holdings and donations. It consists of individual manuscript items that are not related to each other by creator, provenance, or subject. These miscellaneous items are artificially organized into groups and series by the form of the materials rather than subject or origin. They have been donated by various individuals.

Access Restrictions
Access unrestricted.

Conditions Governing Reproduction and Use
Photocopying and publication may be restricted by copyright. Permission to publish must be secured from the repository and copyright holder.

Preferred Citation
Miscellaneous Manuscript Collection (MS00), Archives and Special Collections, Franklin and Marshall College.
